WELCOME TO THE WORKSHOPS

Dear Colleague,

Due to increasing demands for education and training in ultrasonography, World Federation for Ultrasound in Medicine and Biology has established its First "WFUMB Center of Excellence" in Dhaka in 2004. Bangladesh Society of Ultrasonography is the First WFUMB Affiliate to receive this honor. The aims of the WFUMB COE is to provide education and training in medical ultrasonography, to confer accreditation after successful completion of necessary examinations and to accumulate current technical information on ultrasound techniques under close communication with other Centers, WFUMB and WHO Global Steering Group for Education and Teaching in Diagnostic Imaging.

23 WFUMB Center of Education Workshop of the World Federation for Ultrasound in Medicine and Biology will be held jointly in the City of Dhaka on 6 & 7 March 2020. It is a program of "Role of Ultrasound in Fetal Medicine" and will cover some new and hot areas of diagnostic ultrasound. It's First of March and it is the best time to be in Dhaka.

So block your dates and confirm your registration.

Yours Cordially
