

## WFUMB INTERACTIVE CASE OF THE MONTH

Please follow the requirements for the submission of WFUMB INTERACTIVE CASE OF THE MONTH summarized below and send it via email to [case.submissions1@wfumb.org](mailto:case.submissions1@wfumb.org)

### Submission Guidelines

Ultrasound pictures or videos of cases that point out interesting aspects of ultrasound image interpretation or medical decision making have special interest for this interactive format. The case should be a maximum of 2,500 characters (including spaces) and include at least two images or a video. The structure of the text should follow:

◇ *Title (not revealing the diagnosis)*

◇ *Authors*

◇ *Clinical history*

◇ *ULTRASOUND IMAGE / VIDEO (attached the image/video in the email)*

◇ *A question related to the ultrasound image with four (4) potential answers of diagnoses*

◇ *The correct answer and a description of imaging findings*

◇ *Discussion of the image interpretation leading to the diagnosis compared to the alternative answers.*

Please make sure to have the patient's consent to use the images for educational purposes before submission.

You are always welcome to contact us at [case.submissions1@wfumb.org](mailto:case.submissions1@wfumb.org) if you have any questions.

Kind regards

Caroline Ewertsen and Tobias Todsen

Editors of WFUMB INTERACTIVE CASE OF THE MONTH
