

Celebrating 50 years of the Australasian Society for Ultrasound in Medicine

Friday 19 to Sunday 21 November 2021
International Convention Centre Sydney Australia

ASUM are delighted to be returning to Sydney where the Society first began in 1970, 50 years ago. We invite you to join us as we celebrate the journey and development of this multi-disciplinary tool in diagnostic medical ultrasound.

In addition to the celebrations, a comprehensive multi-disciplinary ultrasound-focussed program will be delivered including lectures, live scanning and workshops.

**Be a part of the celebrations, the education,
the ultrasound industry of Australia and New Zealand.**
