Invitation From WFUMB Center of Education

Dear Colleagues,

Due to increasing demands for education and training in ultrasonography, World Federation for Ultrasound in Medicine and Biology has established its First "WFUMB Center of Excellence" in Dhaka in 2004. Bangladesh Society of Ultrasonography is the First WFUMB Affiliate to receive this honor. The aims of the WFUMB COE are to provide education and training in medical ultrasonography. Since 2015, it is renamed as 'WFUMB Center of Education' and so far twenty such centers are in work throughout the six Continents of the World.

It's four and five of March and it is the best time for academic activities. 26th WFUMB COE Workshop 2022 is covering in depth some areas of "Ultrasound in Fetal Medicine". It is the time to living with Corona, so the program will be Virtual Zoom Webinar.

We, on behalf of the WFUMB Center of Education are inviting you in the 26th WFUMB COE Workshop in the City of Dhaka.

WFUMB Center of Education Bangladesh : 26 Workshop

From Bangladesh Society of Ultrasonography

In 2002, during the WFUMB's 'Teaching of Teachers [TOT]' program in Dhaka the Executives of the WFUMB, specially Prof. Hiroki Watanabe asked the Society to be prepared for running the 'First WFUMB Center Excellence' in Dhaka, we became astonished. But subsequently in 2004 when really the responsibility came to us, we accepted the challenge. For last 18 years, Bangladesh Society of Ultrasonography has run the program successfully organizing 25 international workshops in Dhaka and the 26th Workshop is going to be held on 4 & 5 March 2022 Virtually with WFUMB Faculties.

Our heartiest congratulations to the members of the BSU for excellent jobs they have done for the development & establishment of ultrasonography in Bangladesh. We hope, the Society will be going on with its work successfully in future.

We, on behalf of the Bangladesh Society of Ultrasonography, are inviting you in the 26th WFUMB Center of Education Workshop in the City of Dhaka.

WFUMB Center of Education Bangladesh : 26 Workshop

**CHIEF
GUEST**

Dear Delegates and Organizers,

My congratulations to the WFUMB Center of Education: Bangladesh on the occasion of your 26th WFUMB COE Workshop on 4 & 5 March 2022, Friday and Saturday. I applaud the success of your annual workshop.

We know that, Bangladesh Atomic Energy Commission [BAEC] has started and flourished diagnostic ultrasonography in Bangladesh. The BAEC is continuing its effort for the development of diagnostic ultrasonography and supporting education programs of BSU, BIUMR and WFUMB COE.

I congratulate all delegates on your commitment to making a difference to the lives of the people of our nation. I wish every success of workshop.

Best wishes,

Prof. Md. Sanowar Hossain
Chairman [Former]
Bangladesh Atomic Energy Commission
Agargaon, Dhaka, Bangladesh

**GUEST OF
HONOUR**

Dear Prof. Kanu Bala and the Delegate

I am very much delighted to know that, the World Federation for Ultrasound in Medicine and Biology [WFUMB] has established its first 'Center of Excellence' in 2004 in Dhaka. Since then Bangladesh Society of Ultrasonography [BSU] is running the program successfully in Bangladesh.

As an affiliate organization of the AFSUMB and WFUMB, BSU is contributing significantly for the development of diagnostic ultrasound globally.
I am proud of your achievements.

I congratulate all delegates on your commitment to making a difference to the lives of the people of your nation and the world through appropriate use of ultrasound. Congratulations on the meeting, it will undoubtedly be a great success.

Kind regards,
